

Comprehensive HR Advisor Services to Support Your Organization

It's like hiring a part-time HR professional who also happens to be an expert on the isolated platform. With HR Advisor, your Human Resources will be compliant, giving you peace of mind.

Learn more about how we can help
you stay compliant, save time and
money by scanning this QR code!

Your HR Advisor is an extension of your Human Resources staff. We audit your HR systems and data, recommend goals, and proactively work with you to develop and execute an action plan. This will ensure your organization is on top of new rules and regulations. **Partnering with HR Advisor will allow you to focus on achieving your business goals.**

HR•Advisor

Our HR Advisors Help YOU Succeed.

With GovConPay, enjoy the same competitively priced payroll & HR services as businesses in other industries - **without the premium price tag.**

Stay Compliant.

Rules and regulations change constantly. Avoid litigation and fines.

Save Time.

Time is money. Our experienced SHRM/HRCI-certified HR advisor will help take HR projects off your plate so you can focus on growth and take your HCM strategy to the next level.

Save Money.

HR Advisor is a cost-effective way to tackle your HR strategy and goals.

Optimize isolved.

Harness the full potential of your isolved HCM solution with your own HR Advisor and support team.

Focus.

We'll help you prioritize your HR needs and check all the boxes.

Do you need an HR Advisor?

Ask yourself these 5 questions:

1. Do you have an expert to go to with HR questions?
2. Have you updated your Employee Handbook in the last 12 months?
3. Are you confident that your current policies comply with federal and state regulations?
4. Do you have a competitive new employee onboarding process?
5. Are you taking steps to ensure you retain key employees?
