Recruiting, Hiring & Onboarding

Expand and improve your hiring processes, while connecting your new employees in an engaging and positive manner – all within Attract & Hire, available within isolved Talent Management. It includes robust recruiting, hiring, and onboarding tools.

Hire better people, faster.

More than 60% of applicants will start an online application but leave without finishing it. And there's a whole lot more who never see your ad to begin with. It's difficult to attract and hire talented people, but isolved improves the process, and provides real results.

- A library of pre-built reports
- Organize your hiring process
- Attract better candidates
- Reduce time to hire
- Improve the applicant experience
- Increase your applicant pool by using available features designed to improve your job posts and make them more engaging

- Provide collaboration across hiring teams
- Decrease cost per hire
- Two-way communication between hiring managers and applicants
- Unlimited HR administrator and hiring manager logins
- Post to hundreds of job boards with a single click
